## VIP Launch Head Start Eligibility:

For select launch shoe releases, determined at the sole discretion of Foot Locker, VIP members will be given the benefit of a Head Start to reserve one pair of launch shoes. A Head Start is defined as a chance to register for a launch shoe prior to the designated official start time for the launch. VIP members will be given access to reserve the launch shoe 6 minutes in advance of the designated start time for the launch.

The VIP Launch Head Start benefit is open only to legal residents of the United States who are at least 13 years old and are registered members of Foot Locker VIP Club as reflected on the Foot Locker App. VIP membership must be activated prior to registering for a shoe release. If you are not already a Foot Locker VIP Club member, you can join for free via the Foot Locker App, in any Foot Locker store, or online at [www.footlocker.com/vip](http://www.footlocker.com/vip). Note that if you join online or in-store, it may take up to 72 hours for your VIP status to be reflected on the App. Eligibility will be determined based on the current VIP status as it appears in the App at the time you register for a shoe release. Employees of Foot Locker Retail, Inc., or its affiliated companies, as well as the immediate family (spouse, parents, siblings, and children) and household members of each such employee are not eligible. We may at our discretion, cancel, modify, restrict, or terminate the Foot Locker VIP Launch Head Start benefit at any time without prior notice.
